

**Today, on this Summer Tuesday:  
Jesus said, "I AM the BREAD OF LIFE"**

**Gather your children together and read John 6:35:**

**"Jesus replied, "I AM the Bread of Life. Whoever comes to me will never be hungry again. Whoever believes in me will never be thirsty."**

**Application: Today, in John 6, we are told that Jesus had miraculously fed the thousands of people who were following Him and listening to every word He had to say. They were hungry and thirsty!**

**Jesus knew the hearts of the people, He knew their physical needs; He understood because GOD, I AM... came to earth as a man, who also had physical hunger and thirst. He wanted the people to know Him and the Truth. We know that Truth is important to God!**

**Jesus explained to the hungry people about the BREAD which HE offers to them, which He offers to us. Only Jesus, THE BREAD OF LIFE can fill that place which He, the CREATOR carved in the human heart. The hungry and thirsty heart, will never be totally satisfied until the BREAD of LIFE fills that place. . . Nothing in this world, not money, not toys, not fame, not power, not houses, friends, or family. . . nothing or no one except, I AM THE BREAD OF LIFE. . . can give Life to the human heart "Whoever comes to me will never be hungry again. Whoever believes in me will never be thirsty."**

**Discuss with your precious ones about how delicious a drink of water tastes on a hot summer day. . . like today! How delicious is a satisfying lunch when the stomachs have been growling. Tell your precious ones about the hunger and thirst of their hearts and the satisfaction that only JESUS. . . I AM the BREAD of LIFE. . . gives to their hearts and to their lives. Their hearts are hungry and thirsty, like their bodies. We need Jesus to give His Life, His Love, and His joy. . . so that our hearts and lives are full and overflowing, forever! Tell your precious ones so they will know!**

**Memory Verse:**

**"Jesus replied, "I AM the BREAD OF LIFE." John 6:35**

**Pray to GOD, I AM. . . I AM THE BREAD OF LIFE and thank Him for filling your heart with His Life. Thank Him for coming here because He wants you and your precious ones to know Him. Thank Him for pouring His love into your hearts, so they are full and overflowing. . . Thank Him for THE BREAD OF LIFE!**
